Bike rental days	3
Distance in km's	1150

Tour highlights:

- Cape Town
- Clarence Drive
- Southern Tip of Africa
- Scenic Mountain Passes
- Cango Caves
- Ostrich Farm
- Route 62

We collect our trusted motorcycles early in the morning to get going as soon as the traffic subsides around **Cape Town**. We start our motorbike ride along the shores of False Bay via **Clarence Drive**. Our destination is the **southern tip of the Africa at L'Agulhas**. We briefly stop in **Hermanus** from where we follow the back-roads leading us to the southernmost tip of the continent. After a well deserved nights rest, we continue along the Overberg back-roads to **Oudtshoorn** – ostrich capital of the world. We cross the Breede River using the only **hand drawn pontoon** in South Africa. This option includes some gravel roads. We continue towards Riversdale where we traverse the **Outeniqua Mountains** via the **Garcia Pass** which leads us to Route 62. Along the slopes of the Swartberg Mountains, we gently steer our motorcycles towards Oudtshoorn traversing the **Huisrivier Pass**. Here we have the opportunity to either visit an **ostrich farm** or the **Cango Caves**.

For the wild at heart, there is the option to traverse the gravel **Swartberg Mountain Pass** – a national monument build by prisoners in the 1800's. The next day we make our way back to **Cape Town** along **Route 62** through the **Cape Winelands**. We back track the R62 which leads us past Ronnie-Sex-Shop and past acres of fruit orchards and cattle farms. Through the steep cliffs of the **Tradouws Pass** we ride to Swellendam where we join the N2 taking us to Worcester and back home via **Du Toitskloof Pass**. This route includes various mountain passes and scenic detours such as the Sewe-weeks-poort Pass to be enjoyed.

Includes – bike rental inclusive of 350km's per day, 2 night's accommodation BB, guide on motorcycle.

About the ride

Rating - An easy going ride.

Pillions - This ride is suitable for all pillions.

Gravel vs. Asphalt - Asphalt only .

Minimum group size - from 1 rider
